

Education Training Regulation

Rotation

| | |
|------------------------------------|---|
| Authorising Committee/ Department: | RANZCP Board |
| Responsible Committee/ Department: | Education Committee |
| Document Code: | REG EDT-TRN Rotation Education Training Regulation (17.2) |

Rotation

A rotation typically requires:

- 6 months of full-time equivalent (FTE) approved training
- the attainment of two Entrustable Professional Activities (EPAs)
 - with a minimum of three Workplace-Based Assessments (WBAs) to aid the supervisor's decision to entrust the trainee with each EPA
- one of the WBAs completed in the rotation must be an Observed Clinical Activity (OCA).

This regulation applies to both mandatory and elective training rotations.

OCA changes effective rotation one, 2015

This regulation has also been updated to reflect the requirement for trainees to complete a mandatory minimum of one Observed Clinical Activity (OCA) per 6-month FTE rotation.

This requirement is **effective from rotation one, 2015** (actual date varies based on locale).

- Therefore, trainees commencing training from rotation one, 2015 will complete a minimum of two OCAs in Stage 1, four OCAs in Stage 2 and four OCAs in Stage 3.
- Trainees who commenced the 2012 Fellowship Program prior to rotation one, 2015 will be required to complete one OCA per 6-month FTE rotation from rotation one, 2015. These trainees should note that the OCA form has been revised and that the new form **must** be used and submitted to the College.
- Transition arrangements for trainees who will transition from the 2003 Training Program are detailed in the Transition Matrix.
