PRACTICE DISCUSSION

Quality Improvement Initiative template

Note: This template has been designed to assist members with the formulation of a practice discussion

OVERVIEW

Briefly describe the problem or issue, including the setting in which the problem or issue occurs.

NEED FOR CHANGE

Describe the influencing strategic factors for the change, exploring:

- Why is this needed?
- expected outcome
- external forces or factors

EVIDENCE FOR CHANGE

Provide sources of any research that you have compiled, what are the main key findings that can support the need for change or/potentially to support the development of a new process?

PROCESS FOR EVALUATION

Define how you will evaluate the change during the stages of development, implementation and once the change has become business as usual.

MEASURES FOR SUCESS

Describe the outcome performance indicators to demonstrate that the change or development has improved the initial problem or issue.

- What was the outcome?
- What did you learn?
- What would you change?
